NSX

ACURA

2017 Acura NSX
Personalized Settings

This vehicle is equipped with a number of convenience features that can be customized to your client's preferences (applicable features depend on the vehicle's trim level). Personalize the settings for your client as listed below. Additional details are contained in the Owner's Guide, or the Owner's Manual and Navigation Manual on the Owner Information CD.

Default settings are in **bold.**

Client's Name	VIN

Settings

CUSTOMIZING SETTINGS
In order for the vehicle to associate the personalized settings with the correct driver, the client (before entering the vehicle) must first unlock the vehicle with his or her keyless access remote marked either Driver 1 or Driver 2.

1. Refer to the Customized Settings section in the Owner's Guide.

2. Show the client how to change one of the customized features.

3. Confirm that the client can change a customized feature while you watch.

Customized Settings

1 AUTO DOOR LOCK *Select when the doors automatically lock.*

Navigation

12

NAVIGATION SYSTEM *(If equipped)*

To reduce the potential for driver distraction, certain manual functions may be inoperable or grayed out while the vehicle is moving. Voice commands are always available.

- ☐ Set up the "Go Home" feature.
- ☐ Address: _____
- ☐ Show the client the Talk/Back buttons and their functions.
- ☐ Show the client where to find the Voice Command Index in the Owner's Guide.

Voice Portal
Press Talk to use/display the voice portal, then say one of the category names. Follow the prompts.

Navigation Portal
At the voice portal, say "*navigation*" to use/display the navigation portal. Follow the prompts.

Bluetooth® HandsFreeLink®

13

HANDS-FREE RECOGNITION SYSTEMS (*Bluetooth* HandsFreeLink and Voice Command System)
To confirm that the client's cell phone is compatible and to view/confirm phone pairing information, go to *acura.com/handsfreelink* or call *Bluetooth* HFL client support at (888) 528-7876.

To reduce the potential for driver distraction, certain manual functions may be inoperable or grayed out while the vehicle is moving. Voice commands are always available.

Bluetooth HandsFreeLink (HFL)
- ☐ Set the phone to Discovery Mode / Auto Recognize HFL.
- ☐ Pair the client's phone.
- ☐ **Confirm phone pairing**
    - Turn off the phone and the vehicle.
    - Turn on the phone and restart the vehicle.
- ☐ Show the client the HFL buttons and their functions.
- ☐ Confirm that the client can successfully place and receive calls.
- ☐ Demonstrate to the client the Top Commonly Used HFL Voice Commands.

HFL Auto Transfer function
☐ **ON**   ☐ Off

- ☐ Store a speed dial entry with a voice tag and demonstrate the voice tag system.

Specific voice tags can be recorded for each speed dial entry. For vehicles with navigation, the system will also recognize a voice command with the name and phone type of any number stored in the phonebook when Phone Synchronization is turned on after pairing. For example, "*Call John Smith mobile.*"

Text Message/Email Notice *Turns incoming text message notifications on or off.*
☐ **ON**   ☐ Off
Visit *acura.com/handsfreelink* to see if the SMS text message/email function is compatible with the client's phone. Standard message rates may apply.

Models without Navigation

Pick-Up button: Go to the Phone screen, or answer an incoming call.
Hang-Up/Back button: End a call, or go back a screen.
Volume dial: Dial to raise or lower the volume.
Talk button: Display/use the Voice Portal.

Models with Navigation

Pick-Up button: Go to the Phone screen, or answer an incoming call.
Hang-Up/Back button: End a call, or go back a screen.
Volume dial: Dial to raise or lower the volume.
Talk button: Display the Voice Portal or say commands.

Voice Portal
Press Talk to use/display the voice portal, then say one of the named commands. Follow the prompts.

Non-navigation shown

AcuraLink®

14
